TO: Holders of the 'Vehicle Inspection Requirements Manual: In-service Certification'

Dear manual holder

VIRM: In-service (WoF and CoF) version 3 amendment 5

This general amendment to your manual covers items in relation to rule changes and other issues. The main changes relate to child safety locks, heavy vehicle towing, curtain siders, some changes relating to lighting, and reprinted errata pages from amendment 4.

Please find enclosed:

- List of changes with update instructions
- 43 leaves to be inserted into your existing manual

Updating your manual

1. Please update your manual by following the update instructions.
2. Have a quick read through the list of changes so you are aware of what changes have been made.
3. Update your Record of amendments in the front of the VIRM and the Technical information record in your PRS manual.

This amendment will come into effect on 1 June 2009.
